2011 Magic Center Region T-shirt Order Form

In order to ensure that sufficient t-shirts are available in the sizes that are needed, you have the OPTION of "pre-ordering" the 2011 Magic Center Regional t-shirts this year. The sample graphic is presented below. The back of the shirt, as provided in past years, will list the participating teams by name according to the Long Term Problem. While there will be some t-shirts available for purchase the day of the tournament, we cannot guarantee sizes or quantities at that time. Pre-orders must be received on or before January 15, 2011 to ensure specific size and quantities for your team, coaches, parents and supporters. Preorders will be available for pick-up on January 22, 2011, at the Spontaneous Workshop, at Judges, January 29, 2011 and, of course, on Tournament Day.
